

**STATE HOME****IS UNDER FIRE**

Major Haven of Board of Managers and Mrs. Dickson, Matron, Declare Dr. Butler's Regime Bad One.

Sonoma Valley was surprised and is keenly interested in the outcome of charges which have been preferred against Dr. Butler and his regime at the State Home for Feeble Minded near Glen Ellen. The charges were made by Major Haven, one of the Board of Managers of the Institution entirely unknown to his colleagues on the Board, including Col. R. A. Poppe, local member. Mrs. Dickson, matron of the institution, joins in the charges. Mr. Poppe declares he knew nothing of the move made by Director Haven and he predicts that the charges will blow up. About two months ago immorality and favoritism were mentioned by Major Haven as reasons for inquiring into conditions at the big institution. The Board went into the rumors at that time but nothing came to light other than the prevalence of considerable sharp tongued gossip. Some warnings were given to meddlers and peddlers on the outside, and within. Enemies of the present management of the institution were temporarily routed.

An echo of the contest for the position of superintendent at the time Dr. Dawson died and Dr. Whittington and Dr. Butler sought to be head of the institution is seen in the present call for an investigation. Dr. Butler was unanimously appointed superintendent, and since that time and the resignation of Whittington there has been considerable feeling between the two physicians. Whittington's institution at Weimar was recently under fire also on charges of immorality.

Rumor has it that Dr. Whittington has been kept informed of affairs here, and the gossip and tale bearing has culminated in some one getting the ear of Major Haven. Although the Major got an earful, none of the other directors were "in" on the scandal and will not be until Ralph Fisher, superintendent of State Institutions, investigates type written pages now in the hands of Governor Stephens' secretary.

Dr. Butler says he courts a complete investigation by the proper authorities. He was up at Ukiah at the State Hospital there when first apprised of the formal charges made against his administration.

There are 1400 inmates of various grades of mentality at the State Home.

**SHELLVILLE HIGHWAY COMMITTEE NAMED**

At the Business Mens' Association meeting Monday night a committee was named to expedite progress on the Shellville-Santa Rosa highway project. Messrs. Burris, Duhring, Chas. LaTorres, Ed Lindley, and W. L. Murphy were appointed. They were requested to wait upon the Valley of the Moon Chamber of Commerce and ask that a committee from that organization be appointed to work in conjunction with the Sonoma body. At the meeting Thursday in Boyes Springs, President Lichtenberg named W. R. King, R. Specht and himself as president, to do everything to assist in carrying forward the highway matter.

**IMPROVERS ORGANIZE AT CALIENTE PARK**

A new promotion organization which promises to be very successful is the Caliente Park Improvement Club, organized Thursday of last week.

Forty enthusiastic residents of the Springs section signed the roll and many more members have signed their intention of making this one of the liveliest bodies in Sonoma Valley. The meeting to organize was held at Zwicker's Gardens, and the following officers were elected:

President—Jack Muller.  
First Vice-President—M. Peterson.  
Treasurer—M. Y. Hansen.  
Secretary—Chas. Perkins.

The territory in the new jurisdiction of the club is situated between Caliente and the Highlands and from the hills to Sonoma Creek.

Among important projects to be undertaken is the acquirement of a fire engine, better street lighting, sanitation and general social welfare. The next meeting will be on October 27th.

**IMPROVED RIGHT-OF-WAY IS APPRECIATED**

The stretch of road abutting the Northwestern Pacific right-of-way between Bato's and Vineburg which was improved by the railroad some time ago is in good shape after the rain and is a boon to travelers. The company sent six carloads of gravel to fix it when their obligation in the matter was pointed out through the efforts of Messrs Ring and Oscar Studley who had it brought to the N. W. P.'s attention.

**ELECTED TREASURER OF BAPTIST ASSOCIATION**

Mrs. J. C. Shofner is the recently elected treasurer of the Pacific Baptist Association at the meeting in Petaluma Friday of last week. The speaker was Prof. Earl Lindsey of Mills College. Mrs. Shofner is a graduate of Mills.

**TONIGHT IS ANNUAL DANCE OF N. D. G. W.**

Womans Clubhouse to be Scene of Fine Affair Given by Local Parlor.

Tonight the members of Sonoma Parlor Native Daughters of the Golden West give their annual dance and it promises to eclipse all previous affairs of the kind given by the fair daughters of our Golden State. The clubhouse will undoubtedly be crowded to capacity as many tickets have been disposed of and many of the partygoers are to have house guests from out of town for the party.

General arrangements for the dance have been in the efficient hands of Mrs. A. W. Adler. Mrs. Al Stein is in charge of the floor committee and Miss Nellie Peterson heads the refreshments committee.

Music will be by Perkins Augmented Jazz orchestra which has a popular following throughout the Valley of the Moon.

**WILSON ORCHESTRA HEARD FROM**

Mr. and Mrs. F. C. Wilson are settled in San Diego for the winter where Mr. Wilson's orchestra is playing at the Waldorf. The former Boyes Springs musicians have all the old favorites with them including Mr. and Mrs. Edgar and Harry Prince, the sweet singer, who rejoined the aggregation. Wilson's music is well liked down south and invariably plays return engagements.

They get the Index-Tribune every week and like to read of their friends in Sonoma Valley, so the talented jazzers write us.

**SONOMA VISTA PHYSICIAN SUCCEEDS TO APPENDICITIS**

Dr. Adelbert W. Lee of Carson City, Nevada and owner of a home at Sonoma Vista was taken ill there last week and his case was pronounced acute appendicitis. He was operated upon immediately at a local sanatorium and died Sunday, peritonitis having set in. Dr. Lee was the son of Dr. Samuel Lee and was born in Nevada. He had been prominent in medical circles of the west.

Deceased was aged 42 years and six months.

**A PERFECT DAY FOR POPPE-GRINSTED WEDDING**

Sixty Relatives and Friends Attended the Nuptials of Miss Emile Poppe and Fiance at the R. A. Poppe Home Last Sunday.

Never was day more beautiful than the October sunshine ushered in as the wedding day of Miss Emile Poppe and Allen Rae Grinsted last Sunday. The spacious home of the brides parents had been transformed into a bower of beauty for the happy occasion and it lent itself ideally to the ceremony and all that was attendant upon it. The living room and it's favorite fireplace were banked with a wealth of seasonal blooms and was chosen as the hallowed spot whereon the nuptial vows were to exchange their vows and plight their troth for all eternity.

Promptly at high noon the bride escorted down the stairway of the home by her father and preceded by her bridesmaid, Miss Elizabeth Davis, entered the drawing room and was met by the groom and his best man, Geo. Works. After the strains of the favorite wedding march played by the groom's brother, the Rev. Mr. Grinsted, father of the groom, pronounced the solemn words which united the happy couple. The bride was a picture in her dainty wedding gown of white georgette and sheer veil wreathed with orange blossoms, two strands of the dainty petals outlining her youthful beauty. She carried a flower bouquet of cyclamens and lilies of the valley. The bridesmaid wore a pale blue soft charmeuse and carried pink Thymus roses.

Following the ceremony and the deluge of good wishes, tables for the wedding breakfast were set, the bridal party and classmates of bride and groom from the University forming a congenial company at the beautifully appointed bride's table and its pink carnations. The parents of the bride and groom, Mr. and Mrs. Grinsted of Palo Alto, and Mr. and Mrs. R. A. Poppe, were seated at an adjoining table and other relatives and friends near by. Former pupils of the bride at the High School served and showed to advantage their domestic science training. The menu consisted of fruit salad, chicken patties, ice cream in three colors, wedding and bride's cake and coffee. Between courses a college quartette sang "All Hail California," and other favorite Berkeley songs. The cakes were works of art, decorated by the confectioner at the State Home, of which the bride's father is a member of the Board of Managers.

Later in the afternoon amid showers of rice the newlyweds left in an automobile on their honeymoon. The bride's going away gown was a rich costume of black velvet with which she wore a modish black velvet hat. The destination of the wedding journey was a secret, but Mr. Grinsted will take his talented bride to Sacramento, which is to be their permanent home. Mrs. Grinsted will be warmly welcomed there by some of the best families, among whose members both Mrs. Grinsted and her husband have former classmates, graduates of U. C. Many costly and beautiful wedding presents were received by the young couple.

Yours truly  
J. J. Geary

**AN EXCHANGE OF REALTY IN STUDLEY FAMILY**

Mr. and Mrs. Earl Converse have traded their 9 acre improved place west of town for a 9 acre orchard formerly owned by Chester Studley adjoining Bato's and the Cutter places.

The Converses have started to build a home on the Vineburg acreage and will take up their residence there. Mr. Converse has been in the employ of Mr. Curtin but will now go on to his own farm.

**SAD DEATH OF SIX YEAR OLD CHILD**

Margaret Mc Kinnon, beloved little daughter of Mr. and Mrs. Leslie Mc Kinnon of Concord, died there Thursday from infantile paralysis. The little girl was the eldest of the children and while her father was in France with the army she was the comfort and joy of her mother. She will be sadly missed by her parents and grandparents, Mr. and Mrs. Dowdall, who have the sympathy of many Sonoma Valley friends in their loss.

Mrs. Mc Kinnon was formerly Miss Celia Dowdall and held the position of bookkeeper at the Maffei market while her husband was overseas.

Deceased was 6 yrs old and was laid to rest in the Catholic cemetery at Concord. Mrs. Dowdall was with the little sufferer before she passed away.

**PROBABILITY OF INTER-URBAN CAR SERVICE FOR SONOMA VALLEY GROWS**

The California Car Company, the new Point Richmond industry, being financed to turn out Bowen gasoline cars for interurban service has interested the California Northwestern railroad in the plan to cut down cost and increase service by the utilization of their new type transportation unit. Following an intelligent survey of this section by Arthur Hargrave of the company and his associates, Messrs Miller and Wright, the railroad people were put in possession of the facts concerning Sonoma Valley's interest in the new type transportation and the readiness of many of its residents to help finance the building of cars provided the railroads would cooperate by putting them on the run between Sonoma Valley and San Rafael. The attitude of Sonoma Valley, coupled with the excellent showing made by Mr. Anderson, mechanical engineer for the California Car Company and his data on the Bowen car elicited pronounced interest from the Northwestern Railway people when interviewed. As a result, the following letter has been received by Mr. Anderson of the California Car Company from J. J. Geary, General Freight and Passenger agent of the N. W. P.

Dear Sir—  
With reference to your visit inquiring in regard to possibility of demonstrating your new car on our Sonoma branch along about the first of the year, would state this is agreeable to the company with the understanding whatever expenses there are will be borne by you.

Yours truly  
J. J. Geary

**AN EXCHANGE OF REALTY IN STUDLEY FAMILY**

Mr. and Mrs. Earl Converse have traded their 9 acre improved place west of town for a 9 acre orchard formerly owned by Chester Studley adjoining Bato's and the Cutter places.

The Converses have started to build a home on the Vineburg acreage and will take up their residence there. Mr. Converse has been in the employ of Mr. Curtin but will now go on to his own farm.

**LOCAL AND PERSONAL**

Mrs. Molly French has returned to San Francisco.

The engagement of a charming blonde young lady of El Verano is rumored.

Miss Delia Marmorini has been spending a few days in San Francisco visiting friends.

Rain gauger Otto Rufus reports .49 of an inch of rain during the first wet spell of the season last week.

Doctor Phillips and a party of friends were over from Petaluma last Saturday night greeting friends.

An excellent crowd and a good time was reported by all who attended Pan-crazi's dance last Saturday night at Glen Ellen.

Shorthorn heifers from the Jack London ranch will be shown at the San Francisco Livestock show by Irving Shepard.

Jesse Burris, cashier of the Sonoma Valley Bank spent last week in San Francisco and was a guest at the Sutter Hotel.

Mr. and Mrs. Tony Cereghino and children who have been enjoying a vacation in Mill Valley and San Francisco last week have returned home.

Mr. and Mrs. Carroll who often visited at Boyes have gone to New York to reside. Carroll is connected with a large stock and bond house.

Miss Eugenie Froment celebrated her birthday Tuesday evening with a pleasant party at which a few friends participated at the home of her parents.

Mrs. Joseph Miglio of Fulton, and little daughter were down Thursday to bid Mrs. Miglio's aunt, Annie Acquasanta, good bye on the eve of her departure for Italy.

C. Conforti, having completed grape shipping from this vicinity, went to Oroville this week to negotiate the lease of a packing house there from where he intends to pack fruit shipments for the East.

The Ladies Aid of the Sonoma M. E. Church was delightfully entertained by Mrs. Shirley Weise at her beautiful home near Glen-Ellen Monday. Some thirty or more guests from various sections of the Valley motored in from 2 to 5 p. m. About \$25 was netted for the Aid from the sale of the refreshments.

Mr. and Mrs. Henry Hartin and family of Eureka have returned from their trip to Southern California and are home again in Humboldt county. They write that in no way whatever can Southern California compare with the majestic natural beauties of Humboldt and that it is a treat to again drink real pure sparkling Northern California water.

Mr. and Mrs. P. W. Angove returned from San Francisco where they have been visiting relatives and friends.

At the Hansen home in El Verano this week Mr. and Mrs. Joe Keechler, the newlyweds were given a reception. Theo. Pohn, of the former Lewis ranch, furnished music for dancing. Everybody had a wonderful time.

James McElney, former proprietor of the Corner Drug Store, was in town this week on business. Mr. McElney is to open a prescription pharmacy in the Phelan Building, in San Francisco. His wife holds a responsible position with the Bank of Italy.

Dr. and Mrs. W. B. Hays have been enjoying a delightful vacation of two weeks in San Francisco and suburbs. Doc says that all the substantial normal looking folks he met in the metropolis bore the earmarks of having come from the country. He diagnosed the city folks' malady as rhusitis and Septenthermomania. Lack of time and lack of clothes were noticeable, he declares.

**RECEPTION TO NEW M. E. CHURCH PASTOR**

A cordial invitation to all friends of the M. E. Church is extended for Tuesday evening, when a reception will be tendered the new pastor and his wife, Rev. and Mrs. Stephen Crowe.

**YOUNG FOLKS ARE WED**

Miss Meta Steurmer and Gus Rapp, well known young folks of Boyes Springs, were married this week in San Francisco. The bride is the daughter of the prominent garage and jitney firm, and Rapp is the son of Mrs. Johanna Rapp, old and respected Sonoma Vista resident who passed away suddenly some time ago at her home in the Valley.

The young couple are receiving the congratulations of many friends.

**WORTHLESS CHECKS LEAD TO ARREST**

Checks drawn on banks in Oklahoma and cashed by Sonoma residents came back marked "insufficient funds," and led to the arrest of R. Clark on a warrant sworn out by David Hutton. The Hutton check and two others totaled over \$300.

Clark's wife is the only daughter of a banker in Ponca City, and the young couple declared their financial predicament all a mistake and that the checks would be made good.

Yesterday everything was paid and the charge dismissed in court. Clark had been employed at the State Home in teaming.

## WHAT THE RAILROADS HAVE BEEN UP AGAINST

THE RAILROADS have had a deal as rough as some of their roadbeds. They are beginning to get the news of it over, too, and the public is realizing a lot of the facts as recited recently by Wm. Sproule, speaking before the American Bankers' Association. Mr. Sproule said:

"In every way in which it has been possible to increase taxation upon the railroads it has been done."

"While contending with all this, an important part of the money gathered in taxes from the railroads has been turned into channels of competition with the railroads."

"The trans-continental roads are in the hopeless fix of competing with United States Shipping Board vessels which do business between the ports of this country at a loss, and for those losses the railroads have been taxed."

"The roads were taxed to help build the ships in the first place and are now being taxed to continue their operation at a loss in the second place. These high costs of shipping enter into the railroad difficulties and are part of the increased freight and fares the people have to bear."

"Nor is the competition by ship all the competition the railroads have to face. The cities, counties and states have in the past few years built highways of hard foundation and smooth surface largely paid for by taxation of the railroads. Along these highways ply motor busses often holding as many as forty people, and motor trucks ply in trains of two and three cars big as railroad freight cars and each designed to carry several tons."

"The railroads were taxed to build these highways and are being taxed to maintain them. In the meantime the highways are being broken down."

"Built as highways of easy communication for all the people, they have been perverted into highways of transportation for hire and have become in fact free highways for the carriers of freight and passengers, while the steam railroads must still stick to their own right of way and pay heavy taxes for the privilege of doing business over road beds of their own construction."

"Now that the highways are being smashed to pieces under the pounding of these ponderous vehicles the great body of people who desire to enjoy these highways are beginning to sit up and inquire where they get off; and the answer is more taxes, both for the people and for the railroads. The new slogan is, 'Build the road to carry the load,' and if those people have their say who do their business over these roads for hire, they will build a road that will cause the people of this country to carry a load of taxes under which they will stagger and fret for many a day. They will first have to build a tax-payer who can carry the load."

As to the prospects of getting conditions back to normalcy and on the road to a constructive development, the railroad president says in closing: "Finally when the necessary adjustments are made in the railroad world, including wages paid only for work done; when the absurdity is abandoned of running ships at a loss and taxing us for the losses; when the absurdity becomes manifest of building highways for competing carriers to use free as against invested money of the hundreds of thousands of citizens who have put their money in good faith into railroads; when the Government pays the railroads in good faith the money it owes them; when the excess profit taxes and the pernicious sur-taxes on personal incomes are disposed of in the way the Secretary of the Treasury recommends; when our import and export tariffs are fixed on a basis under which foreign nations can buy and we can sell to them; only then will this country be in a position to start on a new career of business expansion and industrial development. Business cannot move until the way has been cleared for it, for business is the life blood of the nation and it must have free flow if the nation is to be healthy."

"There is nothing wrong with the nation as a basic question. Let's get rid of the confusion and the wastes. Above all let us get rid of our prejudices. Let us stop trying to punish success, and again give every man an opportunity to go forward. In this young nation there is room for every gradation of talent, and supremely there is room for the constructive genius of such men as have in the past decades done so much for the progress of this great country."

WE WANT the next Governor of California to take a ride over the roads in Sonoma County and then promise us that his bump of memory will serve him well when he gets into office and makes recommendations to his Highway Commission as regards Sonoma County's rights to better treatment when it comes to road projects and getting action thereon. EVERY VOTE FOR GOVERNOR IN SONOMA COUNTY CAN BE WON BY THE CANDIDATE WHO WILL PLEDGE US HIS SINCERITY ON HIGHWAY TREATMENT.

THE TAXPAYER is the modern Atlas, and yet it is a crime in this day and age to be loaded, so he can't stagger under it. The politician has got the taxpayer on the hip and the taxpayer has nothing on his hip as a counter irritant, so pay and say nothing.

AT THE RECENT cockerel sale at Petaluma a rooster brought \$162.50—enough to make Lizzie honk in derision and Biddie hurry to get a look at the new star of the barnyard. Of course he will be in the films.

"CORONER'S COCKTAIL" is an appropriate name for the latest prohibition drink, and by the majority report of the coroner's jury it's the price that knocks 'em dead.

THE "THOU SHALT NOTS" are for the most parts nuts, and their theories don't hold water. They hold something far more potent.

THE BACK TO THE HOME movement may be popularized by the indoor sport of home-brewing.

FROM THE SCREEN to prison bars is some degradation, but none too coarse a mesh for bad actors.

IF POLICEMEN really get to wearing corsets they will find out what it means to get a good lacing.

## SONOMA OIL FIELDS GET ANOTHER BOOST

Sebastopol is on the eve of a great oil strike. This is the opinion, expressed by Rene A. Huant, nationally known geologist, who discovered oil in the Taft, Bakersfield and Coal-oil fields. Mr. Huant surveyed the area around Sebastopol Monday and guarantees that they contain deposits of oil of greater commercial value than the Bakersfield wells. The oil will be found at a depth of 700 or 800 feet, he states, and will pay big at 2000 feet. The oil is on the ranches of Frank E. Perry, Arthur D. Reynolds, John Butler and Matthews Juseppiani. The ranches are located on the Freestone road about one mile west of Sebastopol. The geologist states that indications show there's a strip of oil land extending from Valley Ford to Napa. Huant left the early part of the week for Napa to make surveys there and hints that in a short time big things will be heard of the field.—Republican.

Send in your printing orders to the Index-Tribune office.

## GRAPE SHIPMENTS HEAVY THIS SEASON

Figures made public by the U. S. Department of Agriculture show a great increase this year in grape shipments from California, September shipments being unusually heavy:

Grapes—	September	1921	1920
North District	5,449	4,610	4,610
Central District	6,533	3,818	3,818
Southern District	1,046	1,434	1,434
Season to Oct. 1	1921	1920	
North District	5,984	5,709	
Central District	9,054	7,388	
Southern District	1,412	2,411	

## FARM CENTER MEETING FOR SONOMA POULTRYMEN

On Tuesday evening, the 25th the Sonoma Farm Center will hold a meeting of particular interest to poultrymen. The better breeding plan with pedigreed cockrels will be outlined and interest in bringing up the flocks to high standard will be awak-

## Cotati Fastest Track in the World

RECEIVED AT SONOMA, CAL., October 20, 1921.

SONOMA INDEX-TRIBUNE, Sonoma, California.

RALPH DE PALMA, WHO TRIED COTATI SPEEDWAY FIRST TIME TODAY IN FRENCH BALLOT, DECLARES IT UNQUESTIONABLY FASTEST IN WORLD, AND CONFIDENTLY PREDICTS ALL RECORDS WILL BE BROKEN SUNDAY. THIS CONFIRMS WHAT MURPHY AND EVERY OTHER DRIVER HAS SAID—CARS FASTER THAN EVER BEFORE AND FIELD LARGER. COME ON. WE'RE OFF.

## Red Cross Trains 147 Blind Vets In Useful Work

Training designed to fit them for the battle of life was taken by 147 blind ex-service men at the Red Cross Institute for the Blind, near Baltimore, Md., during the fiscal year 1920-1921, according to the report of the Institute for that period.

Of this number, 19 have gone on to other institutions, in almost every case to institutions where those having sight are receiving advanced education. The blind ex-service men who have entered such institutions are provided with special text-books in Braille, reading which they were taught at the Red Cross Institute.

Twelve men have passed from the Institute to successfully carry on some occupation or business for which they were fitted by special training. A few have withdrawn from the Institute because of poor physical condition, 14 are receiving further training on the job and 87 are still in training.

## Red Cross Plans \$6,000,000 Effort To Save Children

Medical care and clothing for thousands of children in Central and Eastern Europe are outlined as the activities of the American Red Cross in Europe for the current year, says a statement on the eve of the Annual Roll Call of the organization. These activities, supplemental to the feeding operations of the European Relief Council of which Herbert Hoover is chairman, are designed to provide the most adequate and balanced relief within the resources of private philanthropy.

Through the establishment of child welfare stations in the centers of population of those countries where adequate medical care is not now obtainable, the American Red Cross plans to provide the medical assistance needed to restore these children to a normally healthy life. The sum of \$6,000,000 has been made available for this work.

## ANNIE ACQUISTAPACE AND SON GO TO ITALY

Annie Acquistapace, accompanied by her son Jimmie, left this week on a trip which will take them to Italy. They will be gone for some time and visit relatives, including Mrs. Acquistapace's mother, in the old country. Jimmie, who is a bright and observing boy, will no doubt have very interesting stories to tell upon his return from Europe, as this is his first trip abroad.

Accompanying Mrs. Acquistapace and her son are Wm. Pedroncelli, a cousin, for many years employed on the Marscorini ranch, and Jim Dighi, who has made the trip to the old country several times. They all came from the same province in Italy.

The Caliente travelers could not get around to see all their friends before leaving, but Mrs. Acquistapace left good bye to her good friends and announces that all business in connection with the hotel will be transacted in her absence by Paul Dolfini.

## WILL START GOLF LINKS NOVEMBER 1

The Valley of the Moon Golf Club will begin work on its links on November 1st. The announcement was made here Thursday by President R. G. Lichtenberg and Messrs. King and Fitzgerald. It will mark a new era in the development of Sonoma Valley fame as a health and recreation center.

G. W. Barnhardt, of the Great Western Power Company, addressed the Valley of the Moon Chamber of Commerce Thursday night. He will speak here before the Businessmen's Association on November 7th. The Great Western may enter this field.

## NOTICE

Anyone having a donation for the St. Francis Fair who have not been called upon, will kindly send it in the coming week, either to Rev. Byrne or to Union Hall.

Signed, COMMITTEE

## WEDDING NOTES

Miss Emily Batto was the lucky finder of the wedding ring in the bride's cake at the Poppe wedding last Sunday. The bride's cake was caught by Mrs. Howard Naumann's young daughter of San Francisco. Mrs. Howard Naumann and Mrs. Clarence Naumann both came up for the wedding.

## YOUTHS COMPANION FOLKS

The folks you meet in Youth's Companion stories are no different from those of your home town, but you meet them in unusual situations, crowded with incident and adventure, in which courage, resourcefulness and integrity are put to the severest tests. The Companion's purpose is to picture the permanent satisfaction that springs from following the path of duty rather than the fleeting, perishable distractions of those who always choose the easiest way. And The Companion has proved again and again that stories based upon this principle and in no way lacking in strength and sustained interest.

The 52 issues of 1922 will be crowded with serial stories, short stories, editorials, poetry, facts and fun. Subscribe now and receive:

1. The Youth's Companion—52 issues in 1922.
  2. All the remaining issues of 1921.
  3. The Companion Home Calendar for 1922.
  4. Or include McCall's Magazine, the monthly authority on fashions. Both publications, only \$3.00.

## THE TRAPPE CASE

A. Trappe entered a plea of not guilty in the Superior Court this week and has retained Attorney W. F. Cowan to fight his case. Some sensational developments are rumored.

## \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, etc.

## ST FRANCIS FAIR OPENS THURSDAY NIGHT

The three nights benefit for St. Francis Parish opens next Thursday night at Union Hall. The Fair promises to eclipse all previous ones. The magnificent hope chest of white cedar filled with handwork and linen, worth \$1000 is on exhibition in Duhring's store window.

Peter B. Kyne, the noted author, may open the Fair.

## CARD OF THANKS

The dance at Watmaugh School house was a success, all expenses being met and \$12.50 surplus left for the orphan fund.

Thanks are due the press of Sonoma for the publicity given us, and to all who helped.

ELIZABETH LESHER, Teacher.

It takes more than a theory to develop Correct Lubrication

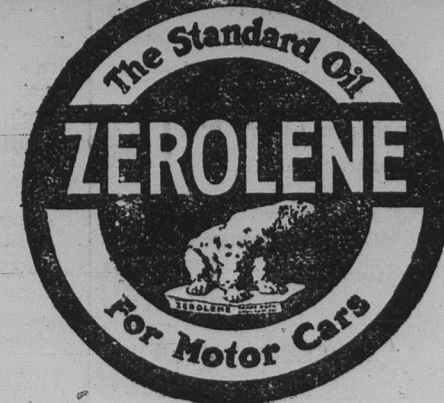

No advantage of science, of vast resources, of long experience, of up-to-the-minute equipment and methods, is overlooked by this company in making Zerolene a lubricating oil of the highest quality.

If it were possible to make a better oil than Zerolene, this company would make it.

It is made in five consistencies, one of which is exactly suited to the needs of your car.

Use Zerolene for Correct Lubrication.

STANDARD OIL COMPANY (California)

## RED CROSS WORKING FOR HEALTHIER U. S.

Thousands Aided by Instruction In Care of the Sick, Food Selection and First Aid.

How the American Red Cross guides thousands of persons to health is shown in a summary of the society's activities in the health field based upon the annual report for the last fiscal year. Through its Nursing Service, its Home Hygiene and Care of the Sick courses, nutrition classes, First Aid classes, Life-Saving classes and Health Centers and in numerous other ways designed to acquaint masses of citizens with proper methods of living, the Red Cross carried its message of health into all parts of the country.

The work of the Red Cross during the war in its traditional field of nursing, furnishing the military and naval establishments of the nation with 19,877 nurses, is well known. And there are today 37,787 nurses registered with the American Red Cross and subject to call in emergency. During the fiscal year, 1,551 Red Cross nurses were accepted for assignment to Government service, 388 by the Army and Navy and 1,163 by the United States Public Health Service.

In addition to the nurses enrolled by the Red Cross for Government service, the Red Cross itself employed a total of 1,348 public health nurses in the United States and Europe. By far the greatest number was employed in the United States, 1,257, while 81 were in foreign service.

Home Hygiene and Care of the Sick classes, giving thorough instruction in the proper care of the sick in instances where the illness is not so serious as to require professional nursing care, during the fiscal year numbered 5,179. A statistical picture of the Red Cross operations in this field follows:

New classes formed during year..... 5,179  
Classes completed during year..... 4,292  
New students enrolled..... 101,003  
Students completing course..... 73,432  
What the Red Cross accomplished in giving proper instruction through its Nutrition Service is indicated by the following table:  
New classes formed during year..... 142  
Classes completed during year..... 180  
New students enrolled..... 2,341  
Students completing course..... 2,011  
In addition to the above, a total of 22,006 children were given instruction in the proper selection and preparation of foods.

Through its 260 Health Centers, the Red Cross reached 90,232 persons. In these Health Centers, 4,015 health lectures were given and 780 health exhibits held.

In the United States last year, 75,432 persons were killed and 3,500,000 injured in industrial accidents. To prevent this enormous waste the Red Cross held 5,100 first aid classes with a total of 104,000 students enrolled.

## RED CROSS RESCUED 600,000 FROM DEATH

Spent \$1,200,000 for Relief of Famine Sufferers in China Last Year.

To help overcome conditions of acute distress in five famine stricken provinces of Northern China, where millions of persons were affected by an unprecedented shortage of food, the American Red Cross during the last fiscal year spent more than \$1,200,000, \$1,000,000 of which was contributed directly by National Headquarters and the remainder by various groups interested in the welfare of China.

Through the wide relief operations thus made possible it is estimated that more than 600,000 famine sufferers were saved from starvation.

To the end that similar prompt relief measures by the organization may always be possible the Red Cross is asking continued support by the American people by universal renewal of membership at the Annual Red Cross Roll Call, November 11 to 24.

The method of relief employed by the American Red Cross in its operations in China was particularly effective, for in addition to saving hundreds of thousands of lives it provided China with more than 900 miles of permanent roads that are sorely needed to prevent a recurrence of famine. At one time the Red Cross employed 74,000 Chinese workmen, paying them in food for themselves and dependents, this food being brought in from Manchuria and elsewhere.

ONE DOLLAR ANNUAL DUES IN THE AMERICAN RED CROSS MAKES YOU A PARTICIPANT IN RELIEF WORK FOR THE HELPLESS THAT GIRDLES THE GLOBE. ANSWER THE ANNUAL RED CROSS ROLL CALL NOVEMBER 11-24, 1921.

## Young America Sends Vast Relief To Needy Abroad

Various relief projects of the Junior American Red Cross in European countries resulted in helping 237,000 destitute children during the last fiscal year, according to the annual report of the American Red Cross for that period. The growth of the activities of the Juniors abroad is manifested by a comparison which shows this figure is 200,000 larger than that of the previous fiscal year.

The National Children's Fund raised by school children, members of the Junior American Red Cross, was drawn upon for \$420,557 for these projects. Receipts for the National Children's Fund during the last fiscal year totalled \$155,317.

America Succors Russians. Food, clothing and medical relief costing \$700,000 has been provided by the American Red Cross for the thousands of Russian refugees stranded last year in Constantinople and vicinity.

# A better way of Milking—

Long ago the De Laval Company recognized the need for a mechanical means of milking to place the dairy industry on a business basis.

For over twenty years experiments have been conducted, and after many years of research, test and use, and not until the De Laval Company was absolutely sure its milker was actually a BETTER WAY OF MILKING was it offered for sale.

NOW AFTER FOUR YEARS OF COMMERCIAL USE, IN ALL SECTIONS OF THE COUNTRY, OWNERS ARE PROVING THAT IT NOT ONLY SAVES TIME AND REMOVES THE DRUDGERY OF HAND MILKING, BUT IT ACTUALLY INCREASES THE FLOW OF MILK EVEN OVER GOOD HAND MILKING.

## Read what these other users say:

"After making a number of trips to different dairies where milking machines are in use, I decided that the De Laval Milker was by far the best, and since installing same I find I did not make a mistake.

"The machines do the work easier, cleaner and better, with no injury to the cow, which is more than can be said of most hand milkers. I am milking 280 cows, with four men to milk and one man to carry the milk from cow barn to milk house.

"I feel confident that the De Laval Milking Machine is by far the best on the market." Yours truly,

(Signed) CENTRAL CREAMERY RANCH, Oakley, Cal.  
By E. H. FOX.

"Our machine is saving us at least \$300.00 a month in labor cost alone, and actually paid for itself in less than four months' use.

"The cows like it much better than hand milking. Although we have kept no accurate test, we are satisfied that we are getting more milk than by hand milking.

"We are more than pleased to recommend it, and you are at liberty to refer prospective buyers to us." Yours truly,

(Signed) ALFONZO BROS.  
A. Alfonso.

WE WILL BE PLEASED TO HAVE OUR REPRESENTATIVE CALL AND GIVE YOU AN ESTIMATE OF COST OF INSTALLATION

Designed with consideration for the cow and in observance of the principles of milk secretion

Built to De Laval Standards

Backed by De Laval Service

Its Uniform Pulsation Pleases the Cow

## The De Laval Milker is A Better Way of Milking

EVERY one familiar with the policies of The De Laval Separator Company, knew they wouldn't bring out a milker until they were absolutely sure of it in every way. Over twenty years have been devoted to the development of the De Laval Milker, and it has been in commercial use for over four years.

Everywhere the De Laval Milker is in use, the verdict is the same—it is a better way of milking. It is designed right, built right, installed right.

The De Laval will make your dairy business more profitable and pleasant. Ask us for full information.

The gentle action of the De Laval Milker pleases the cow and therefore induces an increased flow of milk. Every cow is properly milked in the same manner every morning and night.

SONOMA, OCTOBER 22, 1921

## TENNIS

Sonoma High opened its fall tennis season for the championship of Sonoma County by easily winning the opening league game from Santa Rosa. Our team showed the results of its industrious practice with many Napa Tennis Club players during the last few weeks. Herschel Hyde won the first singles from A. Clapp of Santa Rosa (6-0) (6-1), and Herschel Hyde and Donald Prestwood won the doubles with as little effort by the same score—(6-1) (6-0). The score speaks for itself as to the strength of the two teams. We have an excellent chance of winning the County and League championship this year, as we have an abundant supply of good tennis material from which to build our team. Our league is composed of Napa, Marin and Sonoma counties. In two practice games with Napa High, who has already clinched the Napa County championship, we easily defeated them. If we can win the Sonoma County championship it speaks well for our chances of winning the three counties and league championship.

The second league game, and what consider the big game of the ten-hedule, will be played at Sonoma (Saturday) morning. Petaluma, which promises to be a hotly contested match. Sonoma is entering this year with a great deal of all athletics. With the coaching of Mr. Stenquist and the obtaining of the Union Hall for practice and for games, combined with the organization of the Unlimited Team, with Nick Wirtz as captain, and the 130-lb. team, with Herschel Hyde as captain, we look forward to a brilliant season for Sonoma High in basketball. The 130-lb. team has left from last year's team Don. Prestwood, Gene Robin, Robert Poppe, Joe Kiser and Herschel Hyde, with much new material to choose from. The Unlimited Team has last year's veterans—Nick Wirtz, John Steiner and James Bigelow, and as fully as much material to choose from as the 130-lb. team.

The Senate Club has already had many parliamentary meetings and promises many hot political fights between the three new political parties—the Conservatives, Liberals and Radicals—in the near future.

A 100 per cent sale of Student Body cards was made in the first quarter this year, which shows that all the school is behind our school activities. Let us hope we uphold and maintain this school spirit through all this year and all the following years, so we may have something to be proud of when we get our new high school next year.

On account of the lack of space to hold our assembly meetings the Student Body was divided and we now have a Girls' Student Body and a Boys' Student Body. A committee of girls was appointed to frame a constitution. They got a fine one, too. The girls think it equals the boys' in every way. Nothing was left out of it that would be of any help to the Student Body.

The girls hope to make just as good a showing as the boys in parliamentary procedure. Of course the Freshmen will be a little hesitant at first to get up and make a speech, but that fault will soon be mended. Our silver tongued orator, the Boys' Student Body president, soon will have many rivals among the girls, as they will discuss things just like the boys. The girls also intend to give parties, teas and dinners, besides business meetings, so we see they will also have a good time.

The students of this High School would be very much pleased if the townspeople would come to some of our basketball, baseball and tennis games and root for our teams.

Attendance at these games, recalls to the mind of the older generation the time when they were the star players on the grid at college or when they made their first home run on the baseball diamond at the old school. Come and encourage our boys!

Some new students were enrolled at school this week. One of them has joined the orchestra, which is coming along nicely. After breaking in some players, who are not used to orchestra work, the orchestra will be prepared to render some pieces at our school entertainments.

EPH. WEISS, the expert ophthalmic optometrist, will be in Sonoma at the Union Hotel on November 22, 1921. Permanently located at 706 Larkin St., San Francisco.—Adv.

## EL VERANO ITEMS

(Interesting gleanings from El Verano's popular press agent, our old friend, Archibald McKiver)

El Verano, Cal., Oct. 19, 1921. Mr. Albert Rossi, and Mr. John Basilou, our leading barber, returned from a deer hunting trip Wednesday from the Sacramento Valley. The boys enjoyed a three-day trip and report the ducks plentiful. Each huntsman got the limit, and many of our townsmen were remembered by the boys and enjoyed a duck feast. Many thanks, boys. Hope you will go again soon.

Mr. Charley Danieli and wife of San Francisco came up Saturday evening and spent Sunday at Cavale, near Hooker's Falls, where Mr. Danieli's father is spending several weeks for the benefit of his health.

Mrs. M. F. Mullen, after spending several weeks visiting her daughter, Mrs. N. Conoma, at San Francisco, returned home the fore part of the week.

Mr. W. Chester, of the Sonoma Water & Light Company, transacted business in San Francisco Monday.

Dal Emparan, prominent Sonoma business man, was here Sunday shaking hands with his many friends, who were all glad to see him.

Louis Kearney, our well known lumber dealer, is sporting a new Studebaker car.

Josh Larsen, chief clerk at the El

Verano Villa, accompanied by Will Cleve of Sonoma, motored to Napa Sunday, where they spent the day fishing, landing several fine bass. A twenty pounder was hooked by Mr. Larsen, but succeeded in breaking loose after a tough battle.

Bill Bonhoff and Ollie Wilkerson spent Sunday visiting friends in the City of Roses.

The Parente Villa, under the able management of Elmer Owens, will give their Winter Opening Saturday evening. Some clever talent from San Francisco will be here, and a fine supper will be served, to which the general public is invited.

T. H. Baines, our well known real estate man, returned home the latter part of the week after motoring through the southern part of the state.

Our reliable blacksmith, A. W. Weaver, appeared in town Monday, clean shaven. Congratulations, Al. You look like a young fellow.

Miss Madeline Kopp of San Francisco was the guest of friends here Sunday.

Joe Revie, our popular roadmaster, is driving a new 1921 Ford car.

Phil Rossi, prominent soft drink merchant of this burg, was in Vallejo on business Wednesday.

The many friends of Dr. A. N. Lee were pained to hear of his death at Crane's Sanitarium Tuesday. The remains were shipped to San Francisco Wednesday morning for cremation.

## J. J. DUNBAR RETURNS FROM CANADA

J. J. Dunbar, Sonoma's pioneer plumber and business man, has returned from a visit of some months to his old home in Canada. Accompanied by his wife they arrived in San Francisco via New Orleans last Sunday. His daughter, Miss Sadie Dunbar remained to visit among her father's people who idolize her as she is the only niece, Mr. Dunbar being the only one of several brothers and sisters who married and raised a family.

The traveler is looking exceptionally well and put on considerable weight while away. He had good weather during his sojourn in the Dominion and helped put in several crops to test out Canadian soil. The corn crop was a big success this year and corn Dunbar helped to plant, he

ate before leaving. The wheat and grain crop in Canada this year was short.

Mr. Dunbar's folks have an 80 acre truck farm in the province of Ontario and green houses to propagate young plants.

He praised the hospitality of the people and their courtesy to strangers. Many delightful and instructive auto trips were arranged for Mr. and Mrs. Dunbar by their friends and neighbors in and around Picton. They traveled several hundred miles over the good "provincial highways."

Mr. Dunbar's trip was cut short by business complications here in Sonoma. The man left in charge of his business, neglected it and his conduct of Mr. Dunbar's affairs is now under rigid investigation.

Dunbar is glad to be back home and is once more greeting patrons and old friends at his store on Broadway.

## VINEBURG NEWS

Mr. and Mrs. Walter Poulson of Sonoma were the guests of Mr. and Mrs. Louis Martin on Sunday evening.

Mr. William Mumfrey was exchanging greetings with his many friends this week, and all were pleased to meet Billy.

Mr. Cedric Cutter and family started on an auto trip on Tuesday last to the Sierra Nevadas. We all wish the genial dried fruit expert a pleasant time on his well earned vacation, and safe return home.

Mrs. Peter Bosch was a visitor in the metropolis this week.

The grape crop in this vicinity is about all picked and will soon be "soothing syrup."

Mr. Chas. Gunders, a prominent business man of San Francisco, and family were the guests of Mr. and Mrs. Albert Groskopf at Whispering Pines on Sunday last. Mr. Gunders and family have just returned from an extended tour through Europe and are back again to their Golden State home.

Mr. Asa Kimbrough, one of our leading orchardists, returned home Wednesday evening after a five weeks' trip, and during his absence he visited Southern California, Texas and Oklahoma. The gentleman reports a swell time on his trip, but he also says that the "Valley of the Moon and California looks good to him."

Messrs. Fred Batto, Frank Knolle and Mrs. Chas. McDevett started on Thursday morning for a several days' auto trip to the summit of the Sierras, and at Sacramento will be joined by Mr. Kenneth Street, a well known and progressive young insurance man who has many friends in this vicinity.

Minnie Madden has informed us that the new president of the Five O'clock Tea Club will be "Miss Bessie Bright Eyes," and that she can put it all over Misses Ethel Eastlake, Allie Oliver, Fillie Tipton, Belle Brandon and that bunch alright. Minnie "Bessie Bright Eyes" may be class, but I don't think that she will ever win the heart of Easy Jim.

**WON FIRST PRIZE FOR HAT**

Mrs. M. E. Yocum, of the Foster ranch, was awarded first prize offered by Al. Stein for the most beautiful hat to be made out of crepe paper. Mrs. Yocum fashioned a picture hat of style and beauty out of two shades of yellow and trimmed it in a single flower of the same tones. It was a real California hat and its cost but a few cents. Mrs. Yocum carried off the \$3 prize offered by the up-to-date Sonoma merchant.

**VISITS SON WHO IS IN THE DAIRY BUSINESS**

Mrs. N. J. Heggie has been down to Oakdale, Stanislaus county visiting her son, Frederick, who has acquired a dairy ranch there and has gone into farming on an extensive scale. Fred Heggie is an agricultural enthusiast and farms along scientific lines. Although quite young, he is a thorough business man and Sonoma valley predicts decided success for him.

**FOR SALE**—Holstein heifer; will calve in the spring—\$35. B. T. Clark, Schellville, Walter Tract. 9-1f

**FOR SALE**—Two-horse plow and harness; used very little. Price, \$35. Alpin, Buena Vista Ave. 9-10

**FOR SALE**—Detroit 5-passenger touring car, in good condition. Price, \$250. Alpin, Buena Vista Ave. 9-10

**WANTED**—Laying pullets or yearling hens, any quantity. Highest cash price. Geo. L. Brown, Santa Rosa, 505 Second St. Phone 345. 9-12-pd

**FOR SALE**—Wood and coal; cast iron heater. Also Perfection oil heater. John F. Picetti. 9-12-pd

**FOR SALE**—Trees—grown on Russian River bottom lands; non-irrigated. Apply John F. Picetti. 9-12-pd

**FOR SALE**—Muscovy ducks, 5 months old. Apply to Thurston & Williams, Wood Valley. 9-11-p

**FOR SALE**—Two mares, apply to E. L. Grim, former Rickly place, Baxter tract. 9-11-p

**NOTICE TO CREDITORS**

ESTATE OF ROBERT LINDSAY CARTER, also known as ROBERT L. CARTER, also known as R. L. CARTER, DECEASED.

Notice is hereby given by the undersigned Dora Monroe Carter, the executrix of the will and estate of Robert Lindsay Carter, also known as Robert L. Carter, also known as R. L. Carter, deceased, to the creditors of, and all persons having claims against the said deceased, to file them with the necessary vouchers within ten months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California in and for the County of Sonoma, or to exhibit them with the necessary vouchers within ten months after the first publication of this notice to the said executrix, at the law office of Robert A. Poppe, on the east side of the Plaza, in the City of Sonoma, in the county of Sonoma, State of California, the same being her place for the transaction of the business of said estate in the County of Sonoma, State of California.

DORA MONROE CARTER, Executrix of the will and estate of Robert Lindsay Carter, also known as Robert L. Carter, also known as R. L. Carter, Deceased.

Dated at Sonoma, Cal., September 24th, 1921.

ROBERT A. POPPE and J. W. FORD, Attorneys for estate.

Date of first publication Sept. 24, 1921.

## SUCCESSFUL GRAPE SEASON COMES TO A CLOSE

With prices averaging \$90 per ton for wine grapes, all growers have virtually disposed of this year's crop and will receive a handsome return on their vineyard yield for 1921.

The grapes shipped to New York brought as high as \$300 per ton and in Oakland this week they commanded as high as \$150 per ton.

Among orders filled recently was one from the Chamber of Commerce of Reno, Nevada for a carload of Sonoma Valley Zinfandels. The Sonoma Business Mens Association took care of the order, placing it in the hands of a leading grower who shipped the grapes.

**BENEFIT AT ST. FRANCIS HOTEL FOR HOME CHURCH**

Elaborate plans are under way in the St. Francis for the whist party and dance to be given by friends of Rev. J. F. Byrne for the benefit of the St. Francis building fund. The benefit to aid Sonoma's church will be held on November 3rd at the Colonial, Borgia and Italian rooms of the big hotel. Provision will be made for 500 players in the Colonial and Borgia rooms, while the Italian room will be devoted to dancing.

The benefit will augment proceeds from the Fair which opens here the coming Thursday night at Union Hall.

**AUTO BUS SERVICE TO PETALUMA**

The new auto bus service between Sonoma Valley and Petaluma will start the coming week. Next Saturday a 15-passenger Cadillac and an 8-passenger Packard will be put into service between Boyes Springs, Sonoma and the Egg City. There will be two trips daily, with four trips on Sundays and holidays. (See ad.)

**THE DEATH OF A MOTHER**

Superintendent of Schools B. H. Painter of this city was summoned to Vacaville Saturday by a telegram announcing the death of his beloved mother, and he left for that city as soon as he could get away. His mother had been very ill for some time and for days had been in the shadow. Professor Painter had but recently returned from Vacaville, where he was summoned by the illness of his parent, being compelled to return to his duties here, knowing that the loved one was rapidly nearing the end. He will have the sympathy of his many friends in his bereavement.—Petaluma Argus.

**NOTICE**

This is to notify the public that Mr. C. Fisher is in no way connected with J. J. Dunbar or his business establishment, and I will not be responsible for any bills contracted by him.

Signed, J. J. DUNBAR

**NOTICE OF TERMINATION OF CO-PARTNERSHIP.** (Sec. 2453 of Civil Code)

KNOW ALL MEN BY THESE PRESENTS:

You will please take notice that the co-partnership heretofore existing between Peter A. Boccoli and S. A. Griffith, both of Sonoma City, Sonoma County, California, who have been conducting a general garage business in said city under the firm name and style "B and G Garage," has this 1st day of October, 1921, been dissolved by mutual consent.

S. A. Griffith hereby agrees to assume all of the firm debts and obligations and to collect all bills.

Henceforth this garage shall be known as the "Palace Garage" and S. A. Griffith will be the sole proprietor thereof.

PETER A. BOCCOLI S. A. GRIFFITH.

State of California.

County of Sonoma, ss.

On this 1st day of October in the year one thousand nine hundred and twenty-one, before me, Joseph L. Small, a Notary Public in and for the County of Sonoma, personally appeared Peter A. Boccoli and S. A. Griffith, known to me to be the persons whose name are subscribed to the within instrument, and they duly acknowledged to me that they executed the same.

In witness whereof, I have hereunto set my hand and affixed my Official Seal, at my office in the County of Sonoma, the day and year in this certificate first above written.

JOSEPH L. SMALL, Notary Public in and for the County in Sonoma, State of California.

## TOMORROW IS BIG DAY AT SPEEDWAY

SANTA ROSA, Oct. 20.—The fact that the Cotati Speedway, in Sonoma County, already holds all world's records for everything from a mile to 150 miles, has centered a tremendous amount of interest in the forthcoming race, which is to be held Sunday, October 23rd.

This is especially the case because of the added entries of Ralph de Palma, Jimmy Murphy and several other stellar racing drivers who did not participate in the opening race two months ago.

De Palma's world-beating French Ballot reaches here Sunday, just a week ahead of the race. Word from Los Angeles, from where the car was shipped several days ago, is that De Palma's car can make better time than any other speedway racer has ever made in the past.

As a consequence of this fact, the daring Italian-American driver is just now the popular favorite to win.

However, Jimmy Murphy, winner of the recent Grand Prix race in France, has "hopped" his car up to such a degree that other members of the racing colony pronounce him as

perhaps the most dangerous contestant in the field.

Then, too, there are Eddie Hearne, winner of the big race at Cotati August 4th; Joe Thomas, whose Dusen-berg captured the honors in the Fresno race early this month; Tommy Milton, the recent leader for the 1921 championship; Roscoe Sables, runner-up for the championship; Eddie Miller, Frank Elliott, Tom Alley, Jerry Wonderlick and others.

Followers of automobile racing declare that the field entered in Sunday's race promises to be the fastest in the history of the game. As result of this, speedway officials are expecting all racing attendance records for the Pacific Coast to be shattered.
